Kind reference is invited to the discussions in the file and to the Comptroller Mr. Satyarajachetty's opinion D/ 13.7.1922. The then Financial Secretary thought that the work would be taxing and that the allowance was necessary. The auditor has recommended a reonced allowance of Rs 20/- The present Comptroller's opinion may perhaps be obtained as to whether the work of the Accountant in the Loco Office is different and more taxing than that of an Accountant in the Ry audit Office. ~~It does not seem~~

7) Telephone allowance of Rs 3/- to a clerk attending to the telephone work in the Loco and Carr: Superintendents' Office

The clerk was expected to go out on the line for this special work for about 15 days in a month. The Railway Agent may perhaps be requested to furnish information as to the number of days the clerk was out on account of this work, each month, for the past one year, and how many wagons were adjusted that could not have been so adjusted otherwise. They may all be continued therefore and no orders need perhaps issue on their behalf.

12) The Auditor states in Statement no I that the following allowances

have not been included therein, as they are based mostly on the rate of pay

1) House Rent allowance
2) Climate allowance
3) Water allowance
4) Relieving and Mileage allowance
5) Overtime allowance granted to Traffic and Loco Staff.

From the memo received from the Railway Secretariat it is seen

These allowances from items 1 to 5 supra are all special to the Railway Department and should have been based on what is in vogue in other Railways, and have perhaps to continue. In G.O. no 3936-995 G.F. 90-31.12

NOTE—Contn. Sheet.

Returned, with compliments, to the Financial Secretary to Government.

The Comptroller, whose opinion was called for, states that he agrees with the recommendations of the Auditor with regard to the staff of the Audit and Accounts Departments.

He supports the Auditor's recommendation to continue an allowance of Rs.20/- against the existing allowance of

WD 70—GBPM—60,000—13-8-31.

Rs.25/- per mensem to the Loco Accountant in Loco Office and Rs.15/- against Rs.20/- per mensem to the Accountant posted to Construction and in the case of others of Audit Department, the existing allowance is proposed to be continued.

Item 7.- Telephone allowance to a Clerk of the Loco Office. The Loco Superintendent states that the volume of messages (which all of them have to be written down) received and despatched through the Phone in a day nearly justifies the appointment of a full time Clerk and under the circumstances I consider Rs.3/- per mensem is not a heavy sum and I therefore recommend its continuance.

Item 8.- Claims Head Clerk, Traffic Manager's Office. Duty Allowance Rs.15/-

On other Railways, there is a separate Legal Counsel and Claims Inspector to look after Claims cases. As there is no such Counsel on this Railway and as preliminary -- work has to be done in the Traffic Manager's Office alone by this Head Clerk in addition to his own duties, this allowance is necessary and may be continued.

Item No.9. Clerk of the Train Section of the -- Traffic Manager's Office. Allowance of Rs.10/- On all other Railways there is a separate Rolling Stock Inspector who attends to all work pertaining to Interchange of stock, tracing and adjusting of outstanding wagons etc. The Clerk that now attends to this work is a permanent -- clerk attached to the Trains section and as he looks after this work in addition to his legitimate work, an allowance of Rs.10/- per mensem is recommended to him to save the

cost for a separate Rolling Stock Inspector. This allowance is necessary and may be continued permanently.

Item No.10.- Sub Telegraph Inspectors on Nanjangud-Chamarajanagar and Shimoga-Arasalu Railway extensions. Duty Allowance of Rs.5/- each.

The Sub Telegraph Inspectors' jurisdiction -- have been increased by the opening of Nanjangud-Chamarajanagar Railway on the Bangalore District and Shimoga-Arasalu Railway on the Shimoga District, thus increasing their work by the addition of 22 miles on Nanjangud-Chamarajanagar Railway, and 26.5 or 27 miles on Shimoga-Arasalu Railway or an addition of 4 Stations on Nanjangud-Chamarajanagar Railway and 5 Stations on Shimoga-Arasalu Railway, respectively, and this allowance which was sanctioned on account of increase in work on this account cannot therefore be abolished.

The other allowances which are given in the Railway Department are similar to those in vogue on other Railways.

By order,

Y K Ramachandra Rao.

Government of Mysore.

Sir,

Allowances to Non-Gazetted Staff of Railway Department.

....

With reference to your letter No. Fl. 3650 dated 26th November 1931, I have the honour to forward herewith a statement showing the allowances granted to the Non-Gazetted officers of the Railway Department. With regard to the continuance of the allowance of Rs.20/- and Rs.25/- respectively to the Construction Division Accountant and Loco Office Accountant, I have to state that in consideration of the responsibility attached to the Loco Office Accountant the reduced allowance of Rs.20/- may be continued and in the case of the Construction Division, the allowance of Rs.30/- may also be reduced by Rs.5/- and fixed at Rs.25/- per mensem in view of the fact that the officer is in receipt of duty pay and that work also in construction involves greater responsibility than what he would have had to face in the Audit Office.

The personal allowance granted to the staff of the Traffic Department who were not given any increment for over 5 years have not been included in the statement.

I have the honour to be,

Sir,

Your most obedient servant,
